

LIMITED POWER OF ATTORNEY

Revised: 26 May 2015

The Undersigned Client(s) ("Client") authorises, _____ (Trading Agent) as agent and attorney-in-fact to purchase and sell (including short sales) foreign currencies on margin, options and contract for differences (CFDs) or otherwise for the Client's account and risk. The Client hereby agrees to indemnify and hold Vantage FX Pty Ltd (hereinafter referred to as Vantage FX), harmless for all losses, indebtedness and liabilities arising therefrom.

Vantage FX is authorized to follow the instructions of the aforesaid trading agent in every respect concerning the Client's foreign currency, options, CFD account (the "account") with Vantage FX, except that said trading agent is not authorised to withdraw any money, securities, or other property either in the name of the Client or otherwise. The Client hereby ratifies and confirms any and all transactions with Vantage FX heretofore and hereafter made by the aforesaid trading agent on behalf of or for the account of the Client.

The Client understands that Vantage FX and its officers, employees and agents will not control trading agent's actions, are in no way responsible for any loss to Client caused by the actions of the trading agent and that Vantage FX does not, by implication or otherwise, endorse the operating methods of trading agent. Client further understands and agrees that trading agent is the direct agent of the Client and not of Vantage FX.

The Client understands that Vantage FX may provide compensation to the trading agent from the revenues generated by trading done by the trading agent on the Client's behalf and that such compensation may be on a per-trade basis. The Client understands that such compensation may create a conflict of interest for the trading agent in that the trading agent will have an incentive to make trades on orders to generate compensation. The Client understands and accepts this conflict of interest and waives any and all objections to such conflict of interest and agrees to hold Vantage FX harmless and indemnify Vantage FX for such conflicts.

The Client understands that copies of all statements, notices and correspondence relating to the Client's account shall be provided to the trading agent, and that the trading agent shall have the authority to acquiesce in the correctness of statements on Client's behalf. Even though the Client has granted trading authority to another, the Client should be diligent to closely scrutinize what is going on in the account. If the Client has any questions, the Client should contact Vantage FX immediately by calling Vantage FX Compliance at +61 (2) 8999 2044.

The trading authorisation over the Client's account terminates only upon written revocation by the Client or the trading agent holding the authorisation. Therefore, if for any reason, the Client wishes to revoke the trading authorisation, which the Client has given, please bear in mind that the Client can only do so through written revocation addressed to Vantage FX Customer Service, Level 29, 31 Market Street, Sydney NSW 2000, Australia.

The Client understands and certifies that the Client has the financial resources to enter this Agreement, and that trading objectives have been explained to the Client. The Client acknowledges having received, read and understood the foregoing Limited Power-of-Attorney.
